Complete Crewing

Picture This has provided the best crew and equipment for over 25 years. All crew positions are experienced and qualified as operators and service providers. Day rates are based on a 10 hour day and will follow OMPA (Oregon Media Production Association) standard guidelines. Picture This is required to employ all freelancers who do not qualify as independent contractors according to the federal and state guidelines. Our payroll management fee is 18% of total labor. This covers worker comp., payroll liabilities (ie., SS , Medicare, Federal and State taxes, unemployment taxes), payroll processing and distribution.

2223 NE Oregon Street, Portland OR 97232

Live Event Services

Picture This has audiovisual and event experience to meet your demands, large or small. We're a Portland based company providing event services locally, across the nation and world wide for over 25 years satisfying crowds of 50 to 5000. Our team of audiovisual technical and creative specialists have the skills and knowledge to execute a successful and memorable presentation every time. We provide preproduction, set design, lighting & rigging plots, floor plans with an open line of communication throughout the planning process. We specialize in adding a fresh creative design while incorporating new technology that brings something different to every show. You can choose 3D renderings of a virtual space allowing you to see your show design before we pack up and load in. Our stage design team can build just about anything and our audio and video wizards make sure everything is both seen and heard.

Other Services include

- Live, delayed or on-demand webcasting
 - Creative and experienced directors, system engineers and designers.
 - Staging Design and 3D CAD Pre-visualization.
 - Full lighting packages including Intelligent Lighting
 - PowerPoint, Keynote and graphics development and support
 - Multi-format recording and IMAG
 - Watchout & Operators "The Ultimate Multiple Screen Display"
 - Multiple camera live video fly-packs
 - Fully loaded or compact onsite editing systems
 - Show Openers, insert videos and reprise content from our footage or yours!
 - Speech Prompting
 - Talent and stage management
 - Breakout session and overflow support
 - Staging, scenic, soft goods, pipe and drape, rigging and carpentry
- **Call for a consultation and information packet

Digital Foundry

The Edit Suites

Digital Foundry is a professional editing environment using Final Cut Pro Studio 2 HD systems with all the support you would expect from a full service facility. If your sourcing from 3D, RED, XDCAM, DVCPProHD, HDV, P2 Cards, SxS Cards, DVCPPro50, Betacam SP, DVCPPro, DVCAM or Mini-DV*, The Foundry has all the creative skills and tools to make your production come alive!

3D Post Production Services

Our Final Cut Pro System combined with a high quality Stereo 3D Toolbox Suite creates the perfect solution for stereoscopic 3D post production. Whether your 3D displays are active or passive we can deliver files to meet your needs. If you need side by side, anaglyph, hybrid anaglyph or other types of imaging we can help. Our editors can take your 3D media and create a 3D show for live event presentations, home or in-office viewing and even master onto Blu-ray. Your perfect solution for 3D editing.

E:Vision Effects Twixtor Software

With this plug-in, smoothly changing the speed of your footage is a snap. Twixtor is much more accurate, tracks objects farther, and exhibits fewer artifacts when there are objects crossing the scene to ensure consistent quality.

Software Solutions and Other Features

- Stereo3D Toolbox Suite
- Poser 3-D Character Animation Software
- Apple “Shake” Compositing Software
- Crazy Talk Photo Animation Software
- Twixtor
- Logic – Apple V.O. record & capture
- After Effects
- Apple Color
- **Encoding and prep for web delivery, HD Blu-ray mastering and small run application**
- Networked Systems
- Music Library
- SFX Library
- Terabytes & terabytes of disk storage!

Voice Over and ADR Booth

Picture This offers **Voice Over and ADR services** available in our ultra-quiet recording booth complete with in-booth playback, monitoring and playback. If you would like to check out the V.O. booth, tour our edit facilities or talk about our post-production services, just give us a call.

Webcasting	*Call for Quote	* Post Production Services continued on page 12	

Post Production Services continued

We also offer high-quality multi-format encoding and authoring for DVD, Web Delivery or Powerpoint. Our DVD-R copies can be used as a master disc for duplication or playback at your next presentation.

In addition to our main editing suite, we also offer two other editing options:

- For long-term projects we offer two more FCP software only systems. With plenty of hard drive space, this is the perfect home for your next documentary.
- If remote location editing is part of your next project, we offer a system specially configured for DV editing in the field! With all the same software as our main room plus extra drives and an internal DVD-R burner, this will get the job done. Editors available.

Best of all, our Post Production facility is conveniently located at a unique and comfortable facility located right across the street from Picture This. The coffee is pretty good too.

The Media Station ***A Multiple Format Workflow Solution***

Technology changes everyday and new cameras are released every year. Picture This created a solution for those who want to use all the new file based technology and need a smooth transition into post.
