Live Event Services & Rental Inventory

Picture This has audiovisual and event experience to meet your demands, large or small. We're a Portland based company providing event services locally, across the nation and world wide for over 30 years satisfying crowds of 50 to 5000. Our team of audiovisual technical and creative specialists have the skills and knowledge to execute a successful and memorable presentation every time. We provide preproduction, set design, lighting & rigging plots, floor plans with an open line of communication throughout the planning process. We specialize in adding a fresh creative design while incorporating new technology that brings something different to every show. You can choose 3D renderings of a virtual space allowing you to see your show design before we pack up and load in. Our stage design team can build just about anything and our audio/video wizards make sure everything is both seen and heard.

• Video Wall Rental, Design, Set Up and Technical Support

- Live, delayed or on-demand webcasting
- Creative and experienced directors, system engineers and designers
- Staging design and 3D CAD pre-visualization
