- \* Rates are subject to change

## Complete Crewing

Picture This has provided the best crew and equipment for over 30 years. All crew positions are experienced and qualified as operators and service providers. Day rates are based on a 10 hour day and will follow Oregon Media Production Association standard guidelines. Picture This is required to employ all freelancers who do not qualify as independent contractors according to the federal and state guidelines. Our payroll management fee is 18% of total labor. This covers workers comp., payroll liabilities (ie.,SS, Medicare, federal and state taxes, unemployment taxes), payroll processing and distribution.

Hours Mon-Fri 8:30am-5pm (EQ 5:30pm) • 2223 NE Oregon Street, Portland OR 97232  
Main (503) 235-3456 • Digital Foundry (503) 233-1234 • EQ Room (503) 445-7877  
• Live Events (503) 546-0697 • After Hours (503) 545-9612

# Live Event Services & Rental Inventory

---

Picture This has audiovisual and event experience to meet your demands, large or small. We're a Portland based company providing event services locally, across the nation and world wide for over 30 years satisfying crowds of 50 to 5000. Our team of audiovisual technical and creative specialists have the skills and knowledge to execute a successful and memorable presentation every time. We provide preproduction, set design, lighting & rigging plots, floor plans with an open line of communication throughout the planning process. We specialize in adding a fresh creative design while incorporating new technology that brings something different to every show. You can choose 3D renderings of a virtual space allowing you to see your show design before we pack up and load in. Our stage design team can build just about anything and our audio/video wizards make sure everything is both seen and heard.

## Other Services include

- **Video Wall Rental, Design, Set Up and Technical Support**
- Live, delayed or on-demand webcasting
- Creative and experienced directors, system engineers and designers
- Staging design and 3D CAD pre-visualization
- Full lighting packages including intelligent lighting
- PowerPoint, Keynote and graphics development and support
- Multi-format recording and IMAG
- Watchout & operators "The Ultimate Multiple Screen Display"
- Multiple camera live video fly-packs
- Fully loaded or compact onsite editing systems
- Show openers, insert videos and reprise content from our footage or yours
- Speech prompting
- Breakout session and overflow support
- Staging, scenic, soft goods, pipe and drape, rigging and carpentry
