Live Event Services & Rental Inventory

Picture This has the audiovisual and event experience to meet your needs, large or small. We're a Portland-based company providing event services locally, nationally and worldwide for over 30 years, satisfying crowds of 50 to 5000. Our team of audio-visual and creative specialists have the skills and knowledge to execute a successful and memorable experience, every time. We provide turnkey event services with pre-production, set design, lighting & rigging plots and floor plans all with an open line of communication throughout the planning process. We specialize in adding a fresh, creative design while incorporating new technology that brings something different to every show. You can choose 3D renderings of a virtual space allowing you to see your show from an attendee's perspective before we pack up and load in. Our stage design team can build just about anything and our A/V wizards make sure everything is both seen and heard.
